AMENDMENT AND REQUEST FOR RECONSIDERATION

Commissioner for Patents
Washington, D.C. 20231

Dear Sir:

This is in response to the Office Action mailed on March 6, 2002. Entry of the following amendment and reconsideration of the outstanding rejections are requested.

In the Claims

Please amend the claims as follows:

1. (Twice Amended) A method for manufacturing a molded detergent composition, the method comprising steps of:

(a) mixing a hydrated component and a hydratable component, without heating, to provide a mixture:

(i) the hydrated component having a melting point below about 100° C and comprising a transhydration product of an anhydrous material and water of hydration, the anhydrous material having a melting point greater than about 300° C;
